**Explanation of Responses:**

- This amendment updates the form of ownership of shares of common stock beneficially owned by the reporting person to reflect that after the transactions reported on this amendment, 12,850 shares are held directly by the reporting person, and 25,900 shares are indirectly held by a family trust, of which the reporting person is the trustee and a beneficiary.
- The sale price reported is the weighted average sale price for the number of shares sold. Full information regarding the number of shares sold at each separate price will be supplied upon request by the Securities & Exchange Commission staff, the Issuer or a security holder of the Issuer.
